CLUB OF WESTERN KENOSHA

WHY CHOOSE A CORPORATE MEMBERSHIP?

Becoming a member of a service organization is beneficial for your company, your employees and your co-workers. A Corporate Membership allows a company to hold a Kiwanis Membership but allows you send one representative per week to meetings. The volunteer opportunities are endless – what a great way to connect with your community! Kiwanis is always looking to increase their membership. It is vital to keep our club operational and help our mission of raising funds for the many deserving non-profit organizations, school service groups and scholarships we provide for.
